ABOUT PIAZZA

At **Piazza**, we are passionate about creating pioneering and responsible air care technology and washroom hygiene solutions that help create a clean, pleasant smelling and resourceful environment.

We offer excellent customer support, focusing on long term partnerships, building a family style culture of honesty, rapport and trust. **Piazza** innovations and products are made to be durable, designed to improve customer and visitor experiences and offer a more hygienic washroom environment.

Piazza delivers air care technology and washroom hygiene products through dedicated partners in the Benelux, Western Europe , United Kingdom and beyond. Products are also distributed to a number of worldwide locations, including Dubai.

Advancing the away from home environment

The constant dedication to air care, hygiene technology and product development helps **Piazza** stay on top of current trends in away from home facilities and spaces.

EDGE BY PIAZZA

The **EDGE™** range of innovative air care, air freshener and washroom solutions help to improve customer and visitor experiences in away from home locations. The high quality products in the **EDGE™** range are designed to be easy and simple to operate yet equally eye-catching and innovative in their designs.

MOVING FRAGRANCE FORWARD™

Through the **EDGE™** brand, **Piazza** is **Moving Fragrance Forward™** with the latest air care and air freshener innovations and technology, such as **duoblend™** fragrance technology.

A WORLD OF WASHROOM

To also help improve washroom hygiene, the innovative **EDGE™** range of washroom solutions include the very best hand care dispenser and soap refills, sanitizers, quick and easy to use hand drying options and other systems.

BEING RESPONSIBLE

As a responsible range, battery free and recyclable air freshener options are available, in addition to double sided and active urinal screen solutions, providing premium fragrance and splash back protection to urinal areas.

The **EDGE™** range also provides a 'total air care programme' for washroom facilities, including up to 30, 45 and 60 day programmes, offering effective, prolonged and extended fragrance performance.

EDGE 30-45-60

PASSIVE AIR SYSTEMS

DOUBLE EDGE URINAL SCREEN

DOUBLE SIDED ANTI-SPLASH

The **Double EDGE** Urinal screen neutralizes odors and delivers a powerful, consistent freshness. The revolutionary design features protrusions on top and at the bottom, which has a anti-splash effect and a better air- and waterflow. Therefore, less cleaning time is required and the freshness spreads better.

10x1 PER CARTON

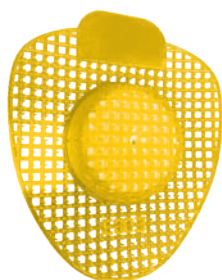

SHIELD PLUS URINAL SCREEN

ANTI-SPLASH PROTECTOR

The Anti-Splash Protector **Shield Plus** neutralizes bad odors and delivers a powerful, consistent freshness. The revolutionary design features longer protrusions on top which have an anti-splash effect that has never been seen before. Therefore, less cleaning time is required. The Shield Plus is flexible in order to fit every urinal.

10x1 PER CARTON

DOUBLE ACTIVE URINAL SCREEN

ANTI-SPLASH AND ACTIVE CORE OF ENZYMES

The **Double Active Urinal Screen** neutralizes bad odors and delivers a powerful, consistent freshness. The white paste prevents limescale and urinary stone which lasts up to 6.000 flushes. The protrusions on top and bottom have an anti-splash effect and create a better air-and waterflow. Therefore, less cleaning time is required.

10x1 PER CARTON

TOILET CLIP PLUS

AIR FRESHENER

The **Toilet Clip Plus** Air Freshener fits most standard toilets or can be used in places that need a simple odor solution. By hanging the Toilet Clip Plus on the outside of the toilet bowl, it gradually releases fragrance.

10x1 PER CARTON

DIAMOND

AIR FRESHENER

The **Diamond** Air Freshener delivers a powerful, consistent fragrance in areas that need a simple odor solution. Each Diamond comes with a holder that allows maximum versatility and makes it possible to hang it in the most discrete places.

10x1 PER CARTON

TOWAIR AIR FRESHENER

The **TowAir** Air Freshener neutralizes bad odors and releases a premium fragrance. The TowAir Air Freshener doesn't need batteries. The material cannot break nor spill fragrance and are made of recyclable material. By using the Air Passive Dispenser, you can install the TowAir anywhere you want.

12x 1 PER CARTON

TOWAIR DOUBLE AIR FRESHENER

Two highly perfumed yet balanced fragrances blend in the air from a two-part, double air freshener refill. Let the fragrance magic begin! With the **duoblend™** fragrance technology, the EDGE TowAir™ fragrances have been carefully paired to ensure you can mix and match fragrances, yet still create a pleasing environment. The EDGE **TowAir Double** is a recyclable, passive air care solution, using no aerosols or batteries. Made from highly flexible EVA, the refills fit most competing dispensers.

12x 1 PER CARTON

EDGE BIO-ENZYMATIC AUTO BOWL MAINTAINER

CHARACTERISTICS

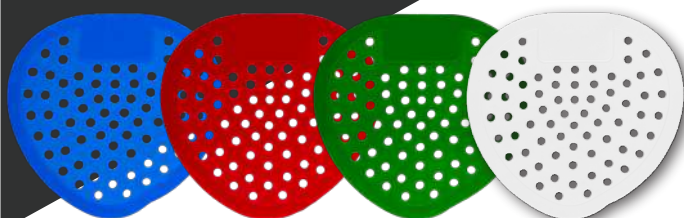

By placing the Bio-Enzymatic Auto Bowl Maintainer on the bottom of your toilet water tank, you will keep your toilet clean and fresh for up to 1.200 flushes. The Auto Bowl Maintainer removes toilet stains, bad odors and can depose organic compounds into drainpipes. The Auto Bowl Maintainer works with natural bacteria and is 100% biodegradable. It is easy to install, doesn't need batteries and requires low maintenance. The Auto Bowl Maintainer leaves a visually blue, clean and hygienic effect in the toilet bowl every time you flush.
