SUGGESTIONS

Ideal for the daily refilling of dispensers in public toilets or toilets subject to heavy traffic.

DESCRIPTION

Public toilets and toilets which are subject to heavy traffic require hand detergents which guarantee efficiency and the optimisation of costs.

MANIGUARD SP is a neutral pH liquid hand detergent, formulated with prime quality surfactants which are very delicate on the skin. The formula contains vegetable proteins with a high molecular weight, offering special protection for the skin.

Stability tests ensure no visible variations in the product after 36 months with regards to standard physical and chemical properties.
