

Large, robust, ergonomic, powerful and extremely silent

ATTIX 5 is perfect for users who need a larger capacity and features that focus on efficiency. High suction performance, automatic filter cleaning, anti-static capability and many other features. This machine is the solution for the even more demanding customers with a higher frequency of cleaning.

The large size of the ATTIX 5 allows you to work longer without emptying the container. Operating costs are minimized with the washable PET Fleece filter elements, and the low working noise level lets you work when others are nearby, without disturbing them.

Maximum efficiency is supplied by XtremeClean automatic filter cleaning.

- Low working sound level - SilentPower - High performance that is seen, but not heard
- MultiFit accessory system for the ultimate in task flexibility
- Washable PET nano fibre material with minimum 99.9% filtration efficiency
- Accessory storage and tool deposit
