- Easy to rinse.
- High cleaning power.
- Deodorising hygienizing effect.

SUGGESTIONS

The monthly descaling with DISINCROSTANTE LAVASTOVIGLIE guarantees clean and efficient machines.

DESCRIPTION

STOVILMATIC CLORO is a highly-alkaline, low-foam liquid detergent, which guarantees complete and hygienic washing for bar glass washers and small dishwashers for side-plates, cups and glasses. Ensures perfect rinsing without leaving residue or streaks. The presence of chlorine helps to eliminate unpleasant odours typical of dishwashers, it hygienizes and removes traces of theine and caffeine from cups, leaving them shining and white.

HYGIENIZING DETERGENT FOR BAR GLASS WASHERS AND SMALL DISHWASHERS

Solubility in water	Complete in all ratios
pH	14

None

AVAILABLE PACKAGING

6 kg container in 2 pieces carton - single product code - 016SBAR0006

USE MODALITY

After the filling of the dishwasher with 10-15 litres of water, follow the dosing manual below according to water hardness:

with soft water 0-15°F use 25ml/l of product
with water of average hardness 15-25°F use 35 ml/l of product
with hard water over 25°F use 50 ml/l of product

After four or five washes, add 25 ml of product to the detergent bath.
Product dosage is particularly precise and constant if an automatic dosing pump is used.
The product maintains its properties when properly stored in an unopened package, in a cool and dry place away from light and heat sources, at a temperature between 5°C and 35°C.
