

DETERGENT FOR GLASS AND HARD SURFACES

- Quickly cleans windows, glass and hard surfaces in general.
- Ideal for surfaces which can be accessed manually.
- Leaves no streaks.

SUGGESTIONS

DIK VETRI is a useful product for the rinse-free cleaning of surfaces. Also ideal as a multi-purpose product for every-day cleaning.

DESCRIPTION

Some surfaces, such as windows and glass, often prove to be very difficult to clean. The elimination of marks, fingerprints and streaks can require time and effort without providing the best results.

DIK VETRI is a rinse-free liquid with surfactants with excellent dirt-emulsifying properties. It guarantees efficient cleaning, removing dust, fingerprints and more generally all kinds of dirt without leaving streaks. Particularly suitable for the washing of glass and mirrors, it is ideal for the cleaning of various types of surface: tiled, formica, polished marble, plexiglass and steel.

DETERGENT FOR GLASS AND HARD SURFACES
